

What is the Pemberton Farms CSA?

The Pemberton Farms CSA stands for “Community Shared Agriculture” and is the partnership between our customers and our local farmers. Each share is hand picked from our staff and the supply comes from a variety of local farms throughout Massachusetts. Each share will contain the freshest selection of local fruits and veggies, specials, recipes, and pairings we offer throughout our store.

What do I get in my share each week?

- Weekly supply of farm fresh produce for a true farm to table experience
- Recipes and tips to help you enjoy your weekly harvest.
- Pairing suggestions throughout our store to compliment your selection.

When do I pick up my shares?

- Every Thursday starting June 17th – Sept 9th.
- Pickup is at Pemberton Farms Marketplace
- Pickup time frame is 11am-7pm

Can I get my share delivered?

Yes, you can! We will deliver your CSA right to your door for an extra fee depending on your zip code. Delivery costs will be determined by your zip code when entering your shipping information online during purchase. The cost will be \$100 for 12 weeks of delivery.

How do I sign up?

Signing up for the CSA is easy and done online at Pembertonfarms.com

Can I select my own produce?

All orders are pre-packed from our staff and hand selected by local farmers at peak freshness and since we don't know the season brings for weather, we do not allow you to pick your own produce.

What if I am unable to pick up my share during a particular week?

You are busy, we get it! We allow for a family or friend to pickup your share while you are away or unable to do so. Just be sure to give them your order number in advance so we can verify. If your share goes unclaimed for the week it will be donated to a local food bank.

Can I get a refund on my share?

Shares are nonrefundable; however, they are transferable or donatable!

What If I paid for delivery but am in the store on a Thursday and able to pickup?

We will ask for 24-hour notice to change you from delivery to pickup and will issue you a store credit for the cost of your delivery for that week.

Other information:

- Complete cost of the 12 weeks share program is due at sign up
- Shares are transferable and donatable but are not refundable.
- Please bring your own reusable bags when you pick up your CSA
- Please leave last week's container outside your house to pick up when we deliver your CSA
